

MXIMU Adirondack Chair Use and Care Manual

Easy to Maintenance

- It can stay outside all year-round.
- Needing just a soft-bristle brush and clean, soapy water.

Completely water/UV/wear resistant, color goes all the way through so no painting needed, will not fade, crack, warp, peel, or rot for years to come

Most stains can be removed by simply wiping with a soft cloth, better results can be achieved with soapy water and a soft brush
