

No Nuts. No Bolts. No Hassle.

Aleco's exclusive MaxBullet[®] strip door mounting hardware has revolutionized the way strip doors are installed.

The MaxBullet[®] features a unique bullet-shaped locking feature for easy snap-on/snap-off strip replacement. Once the hardware is attached to a door frame, no tools are required to attach strips. Initial hardware installation is 75% faster! Strip replacement is 90% faster! Aleco strip doors utilizing **SCRATCH-GUARD[®]** material last longer, save more energy and improve visibility.

LIFETIME GUARANTEE on all MaxBullet[®] hardware:
MaxBullet[®] Aluminum - Ideal for food service applications
MaxBullet[®] Stainless Steel - Works in the toughest environments
MaxBullet[®] HTP Silver - Most cost-effective hardware

Aleco's **CLEAR-FLEX[®] II PVC STRIPS** help you create a cleaner and more efficient work environment. High quality strips feature rounded edges to prevent cupping and a concaveness to promote a tighter seal. All Aleco strips are manufactured in the U.S.A.

www.aleco.com

All strips are available in bulk rolls, individual replacement strips or perforated and pre-punched TearAway[®] PVC strips
