

The MaxBullet® features a unique bullet-shaped locking feature for easy snap-on/snap-off strip replacement.

Once the hardware is attached to a door frame, no tools are required to attach strips. Initial hardware installation is 75% faster! Strip replacement is 90% faster! Aleco strip doors utilizing SCRATCH-GUARD® material last longer, save more energy and improve visibility.

Aleco's CLEAR-FLEX® II PVC STRIPS help you create a cleaner and more efficient work environment. High quality strips feature rounded edges to prevent cupping and a concaveness to promote a tighter seal. All Aleco strips are manufactured in the U.S.A.

www.aleco.com

All strips are available in bulk rolls, individual replacement strips or perforated and pre-punched TearAway® PVC strips
