

## MAX GRIP Carpet Installation Tape

ROBERTS® Max Grip 75 ft. Carpet Installation Tape is a double-sided strip roll with acrylic adhesive that offers reinforced strength to instantly bond carpets to stairs and stair treads. This permanent tape can be used for the installation of vinyl transition moldings as well as various types of vinyl flooring that specify double-face tape installation.

Key features include the following:

- Ideal for permanent installation or repair of carpeting
- Acrylic adhesive reinforced for strength
- Easy to apply without a tack strip or seaming iron
- Bonds instantly, for indoor and outdoor use
- Non-toxic and odor free
- Highly adhesive, can be used on wood
