

## Wraparounds

### CWPLD Series - LED Linear Wraparound Contoured Model

CWPLD series is a versatile contoured LED wraparound series that displays uniform, soft light at up to 50% energy savings over fluorescent light sources. This fixture has all of the commercial features contractors expect in a Metalux product, including Universal Voltage, 0-10 Volt dimming electronics and quick row or suspension mount capability. Patent pending easy mounting channel reduces installation time when row mounting fixtures together. Premium optical control, including linear prisms, gives even light distribution, minimizing the number of fixtures required to light a space.

### Performance

- Stock Model is 4ft, 4200 lumens, Universal Voltage
- 0-10V Dimming to 10%
- Color Temperature: 4000K
- 83 CRI LED's for accurate color rendering
- Row mount or continuous row mount using the patent pending easy mount channel

### Compliance

- cULus 1598 listed for damp locations
- DLC Qualified
- Complies with IESNA LM-79 test standards

### Construction

- White post-fab painted cold rolled steel housing with polymer end caps for a finished aesthetic
- Frosted white lens with linear prisms provides soft, uniform, glare-free light output with a wide light distribution

### Reliability

- Five year comprehensive fixture warranty
- LED's projected life of 50,000 hours at 70% lumen output
