## Garden & Water Hoses

2016  
Revision A

## Flexzilla®

Flexzilla® raises the bar for garden hose features and benefits, simplifying lawn care. Flexzilla Premium Hybrid Polymer Garden Hose now features revolutionary SwivelGrip™ female & male (patent pending) fittings. The comfortable gripping surface is much easier to turn and tighten. Flexzilla SwivelGrip makes connecting the hose to the spigot or attachments a breeze. The swivel action ensures that either end can be easily attached and the hose extended without twisting, so sprinklers lie flat and your work is more efficient. Plus, with our superior female hose end O-ring seal, you get a long-term, leak-free connection at the spigot that outlasts the competition by far. The Premium Hybrid Polymer inner tube material is drinking water safe.

### SwivelGrip™ Garden and Lead-in Hose Assemblies

HFZG550YWS

HFZG550YWS

## Flexzilla® (continued)

Flexzilla® Garden Hose was engineered with a lightweight Premium Hybrid Polymer material to lie flat and eliminate kinking under pressure. It redefines flexibility, making it easy to maneuver around trees, bushes or other obstacles. Zero memory means your sprinkler stays put without twisting. And Flexzilla Garden Hose doesn't fight you when you coil it. Plus, with our superior female hose end O-ring seal, you get a long-term, leak-free connection at the spigot that outlasts the competition by far. The Premium Hybrid Polymer inner tube material is drinking water safe.

## Flexzilla® (continued)

Flexzilla® Garden Hose Kit with Quick Connect Attachments features Premium Hybrid Polymer material with extreme all-weather flexibility that allows hose to lie flat and won't kink under pressure. It's lightweight and coils easily. The convenient Flexzilla Garden Hose Kit comes complete with hose, twist action nozzle, quick connect stop flow coupler, spigot adapter, hose adapters and hose hanger to make gardening a snap.

### Garden Hose Kit with Quick Connect Attachments

**FEATURES:**

- Extreme all-weather flexibility
- Won't kink under pressure
- Lightweight, coils easily
- Lay flat - no memory
- Abrasion resistant
- 3/4 in. - 1 1/2 GHT fittings both ends
- Max. working pressure at 70° F:150 psi

**KIT INCLUDES:**

- A - Flexzilla Garden Hose with Quick Connect Couplers
- B - Hose hanger
- C - Nozzle
- D - Adapter for spigot
- E - (2) Garden hose attachment adapters

## Build your own custom length hose in 3-easy steps!

**Measure and cut desired length of hose at 90°.**

**Slide bend restrictor and fitting nut onto hose. Push the threaded fitting into hose until flush.**

**Tighten fitting nut until snug. Snap into bend restrictor.**

## Flexzilla® Pro (continued)

### Custom Water Hose Center (continued)

The Flexzilla® Pro Custom Water Hose Center allows you to provide your customers with custom length hose. Using Flexzilla Pro reusable ends, you can quickly and easily create custom length hose assemblies on site. Contact your Legacy sales team for more information about the Flexzilla Custom Water Hose Center.

#### HOSE FEATURES:

- **Field repairable** – Reusable anodized aircraft aluminum fittings. **See Page 22**
- Extreme all-weather flexibility
- Won't kink under pressure
- Lays flat - no memory
- Abrasion resistant
- 150 psi working pressure
- Drinking water safe hose and fittings

#### SIZE AVAILABLE:

- 5/8 in. Water

## Flexzilla® Pro (continued)

### Water Hose Assemblies

Designed for the professional trade, Flexzilla® Pro Water Hose features Premium Hybrid Polymer hose with reusable fittings. The hose can be repaired in the field in 3 easy steps - using tools commonly available on the job site.

#### FEATURES:

- **Field repairable** – Reusable anodized aircraft aluminum fittings. **See Page 22**
- Extreme all-weather flexibility
- Won't kink under pressure
- Lightweight, coils easily
- Lays flat - no memory
- Excellent abrasion resistant
- Excellent bend radius
- Maximum working pressure at 70° F: 165 psi
- Includes bend reinforcement for increased flexibility. Reduces wear and tear, prolonging the life of the hose.
- **Drinking water safe**
- **2013 AAPEX Show - Innovation Award**

## Flexzilla®

### Pressure Washer Hose Assemblies

Extreme flexibility under pressure! Flexzilla offers a revolutionary pressure washer hose that redefines flexibility, even under pressure! Unlike other pressure washer hose, Flexzilla stays flexible when pressurized for use and offers minimal memory when depressurized, so it lays flat and won't work against you before, during or after use.

**FEATURES:**

- Extreme flexibility under pressure, from subzero to 140° F
- Made of Premium Hybrid Polymer material
- Integral non-kink bend restrictor
- Max. working pressure at 70° F: 3,100 psi
- Cold water use only
- **Made in USA**

**IDEAL FOR:**

- Professionals and homeowners

## Flexzilla® (continued)

### Nozzle Kit

**FEATURES:**

- Varying degrees of spray for a variety of applications
- Color coded to quickly identify degree of spray
- Easily connect and disconnect without tools

PW4000

**SPECIFICATIONS:**

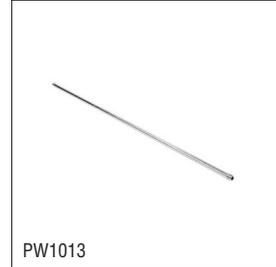

- Pressure Rating: 4,000 psi

Part No.	Description	Retail Packaging
PW4000	Nozzle Kit 0,15,25,40 spray pattern x 4.5 orifice/soap	●

### Lances

**FEATURES:**

- Can be used for hot or cold water applications
- Nickel chrome plated steel (prevents rust)
- Suitable for use with corrosive chemicals
- Provide a more consistent seal
- Four times stronger than cut threads

PW1013

**SPECIFICATIONS:**

- Inlet: 1/4 in. MNPT
- Outlet: 1/4 in. MNPT
- Temp. Rating: 300° F (148.9° C)
- Pressure Rating: 5,800 psi

Part No.	Description	Retail Packaging
PW1013	Lance 36 in.	●
PW1015	Lance 48 in.	●

### Spray Guns and Handles

**FEATURES:**

- Forged brass housing for maximum strength
- Stainless steel spring, needle, ball and seat for chemical resistance
- Special heat and chemical resistant seals for optimum performance

**SPECIFICATIONS:**

- Flow Rate: 10.4 GPM
- Inlet: 3/8 in. FNPT
- Outlet: 1/4 in. FNPT
- Temp. Rating: 300° F (148.9° C)
- Pressure Rating: 5,000 psi

## SmartFlex™

SmartFlex™ hoses feature a Hybrid Polymer Blend material and offer premium performance at a mid-level price point. They also have an abrasion-resistant outer cover for durability. The easy grip water hoses offer superior ergonomics with a SwivelGrip handle on the female end that makes them easy to attach and detach at the spigot. SmartFlex is an adaptable, swivel-handle hose that's a great choice for smart DIY shoppers. The Hybrid Polymer Blend inner tube material is drinking water safe.

### RV/Marine Hose Assemblies
