

GLF-47WP FIBERGLASS SLIM FOLD PLATFORM

▶ PROJECT ESSENTIALS

The Fiberglass Slim Fold Work Platform is a necessity on any jobsite. The durable work platform is tough to the extreme with a 375 lb load rating. With a slim fold design measured at only 3.5 in. deep, the Fiberglass Work Platform is a must have on any professional's tool supply, and thin enough to add to any tool truck space.

▶ EASE OF USE

Automatic locks engage when legs unfold and keep legs in place

▶ NON-CONDUCTIVE

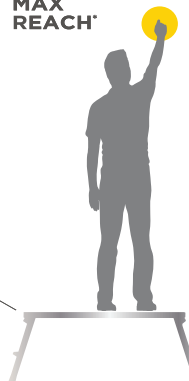

The fiberglass rail construction makes it safe for use while working with electricity.

▶ SAFETY

Non-slip tread and oversized non-marring feet improve stability
