Contains no phosphorus

ADVERTENCIA: Contiene agua, detergentes e ingredientes activos. Evite el contacto con los ojos y la piel. Puede ocasionar quemaduras. Si se ingiere, tómese un vaso de agua y llame a un médico.
CONTACTO CON LOS OJOS: Inmediatamente, lávese exhaustivamente con mucha agua al menos durante 15 minutos y procure atención médica. PIEL: Lávese muy bien. Si se produce irritación y continúa, vaya donde un médico. No mezcle con ácidos. Use sólo de acuerdo con las indicaciones para mezclar que se indican en el envase.

8oz.

TSP C leaner is a concentrated product specifically formulated to clean dirt and grease from interior and exterior surfaces before painting. Recommended for cleaning walls, woodwork, ceilings, concrete, metal, vinyl and aluminum siding. A phosphate-free cleaner which requires no rinsing.

DIRECTIONS:

BEFORE USE, read all information on container. We recommend the use of rubber gloves and safety glasses. Do not breathe spray mists.

General cleaning - Add 8 ounces of TSP per gallon of water. Use a clean sponge or cloth, squeeze out excess solution and wash surface from the bottom up to prevent streaking. Allow surface to dry before painting. Wipe up drips from hardwood floors to prevent spotting.

Heavy duty cleaning - Add 16 ounces of TSP per gallon of water. Use a nylon scrubbing brush or pad dipped in solution to scrub area. Then damp wipe area using a clean sponge or cloth and fresh cleaning solution. Allow surface to dry completely before painting. See side panel directions for mildew stains.

Pressure washer - Add full strength to detergent reservoir or place pressure washer siphon tube directly into TSP container. Formulated for injector dilution ratios up to 16:1.

NOTE: TSP IS NOT A DEGLOSSER. Carefully examine cleaned surface. Old gloss and semi-gloss finishes require solvent deglossing or sanding prior to painting for proper paint adhesion. Do not allow dirty solution to dry on windows. Staining can occur. Spray windows with clean water before and after application. Spray fine mist of fresh water on vegetation before and after application to protect from burning. Runoff is not harmful to plants. If you have any questions, call us at **1-800-225-9872**, Mon-Fri 9AM-4PM EST.

**KEEP OUT OF REACH OF CHILDREN. CLOSE CONTAINER AFTER EACH USE
NEVER STORE IN UNLABELED CONTAINERS.**

24oz.

WARNING: Contains water, detergents and builder. Avoid contact with eyes and skin. May cause burns. If swallowed, drink a glass of water and call a physician. **EYE CONTACT:** Immediately flush thoroughly with plenty of water for at least 15 minutes and get medical attention. **SKIN:** Wash thoroughly. If irritation develops and continues, see a physician. Do not mix with acids. Use only according to mixing directions on container.
