

# 6 FT WICKED CAULDRON WITCHES

PHRASES SPOKEN

“Ah, the skies are darkening and the witching hour is fast approaching. The weaker hearted should run for cover, for the frolicking of all things wicked will soon be upon us! (cackle cackle)”

“Ah, I see my next ingredient has arrived! With you, my spell no longer deprived! Just a morsel I will take, in the cauldron boil and bake, your youth and flesh, the only price – to ensure me of eternal life! Ah-hah-ha-ha-ha-ha!”

“Ha-ha-ha-ha-ha-ha-hah!  
Another foolish child dare to trespass on this wicked place? Here now a spell to remove that smile from your pretty face! Hoggles and haggerdash, and eyes of a crow, all powers are mine now, and all that you know ah-hahahahaha!”
