Drinking water safe.

100% lead, BPA, & phthalate free. Great drinking hose for home, garden, RV, boat, and more. Our non-toxic polyurethane will not leach chemicals into water. Safe for organic gardening, children, and pets.

Easy to use.

High performance polyurethane is stronger than PVC and rubber and will not kink. Lightweight materials are soft, flexible, and effortless, making it a joy to use.

Beautifully designed.

Your choice of designer colors add pizzazz to your home. Solid machined chrome plated brass fittings are crush-proof to ensure no cracks or leaky connections.

Additional Specs:

- Burst pressure rating 400 PSI
- Water Flow Rating four to five GPM
- Operating Temperature Range -40 degrees to 120 degrees Fahrenheit

Warranty

For 5 years from the date of sale, RL Flo-Master warrants their products against defects of workmanship and/or material. RL Flo-Master is not liable for consequential or other damages including, but not limited to personal injury, damage, loss or any other expense directly or indirectly arising from the use of, or inability to use, its products either separately or in combination with other products. All other warranties expressed or implied, whether oral or written, including but not limited to warranties for fitness or merchantability for a particular purpose are expressly excluded. This warranty is limited to repair or replacement of the product or an account credit in the amount of the original selling price, at the option of RL Flo-Master. All products presumed to be defective must be returned by prepaid transportation to RL Flo-Master together with information describing the product's performance and proof of purchase. All specifications are subject to change without notice. While accuracy is thought reliable, no guarantee is expressed or implied. For questions, please contact RL Flo-Master at 1000 Foreman Rd., Lowell, Michigan 49331-1074, by phone at (800) 253 4642, or via email at service@rflomaster.com.
