

WKEX200/WKGX201

Single Unit LG WashTower™ with Center Control™
4.5 cu. ft. Front Load Washer and 7.4 cu. ft. Front Load Dryer

LG's vertical laundry solution puts easy access, built-in intelligence and advanced cleaning within reach

Full-size and fully featured, with the washer on the bottom and dryer on top, the sleek single unit LG WashTower™ takes up half the space*, giving you room to add a sink, a folding table or whatever you like. But unlike conventional stacked pairs, LG's exclusive Center Control™ panel is perfectly positioned with both washer *and* dryer controls at just the right height. Built-in intelligence makes laundry less of a chore by taking out the guesswork, while top-of-the-line innovations put advanced cleaning power within reach.

Single Unit WashTower™ Design

EVERYTHING YOU WANT IN HALF THE SPACE*—
PLUS EASY-REACH CONTROLS

- Redefine your space and reinvent how you do laundry with room to add a sink, a folding table or just organized storage—all with a sleek, streamlined look
- Only LG WashTower™ has the convenient Center Control™ panel that's perfectly positioned with both washer *and* dryer controls at just the right height
- Typical stacked washers and dryers place dryer controls at the very top, making them hard to see and reach without using a step stool every time

*Half the functional floor space.

LG WashTower™

Built-In Intelligence

BUILT-IN INTELLIGENCE TAKES OUT THE GUESSWORK

- Forget about endless sorting or toggling through cycles—built-in sensors use AI technology to detect fabric texture and load size, then automatically select the right wash/dry motions, temperatures and more for advanced fabric care
- Activate Smart Learner** in the ThinQ® app, and WashTower™ will remember your preferred settings, from wash temp to spin speed to dry level—so you don't have to
- With Smart Pairing™, the washer can even tell the dryer to select a compatible drying cycle, making it the ultimate laundry hack

**When normal cycle is selected on control panel.

Cleaning Performance

ADVANCED WASHING AND DRYING WITH
LG'S BEST CLEANING SYSTEM

- From ultra large capacity to top-of-the-line innovations, the LG WashTower™ delivers the advanced cleaning performance you need
- TurboWash™360° powers through larger loads in less time, thanks to five jets with variable sprays that deliver a complete clean in under 30 minutes†
- The Allergiene™ wash cycle goes beyond everyday cleaning, using the power of steam to remove common household allergens in fabrics by more than 95%††
- Do more than dry—TurboSteam™ technology in the dryer refreshes clothes in between washes as well as children's toys, decorative pillows and more

†Based on independent testing comparing models WKEX200/WKGX201 and WM3900 in normal cycle with TurboWash™ option, 10 lb. load (June 2020). ††Based on certification by the Asthma and Allergy Foundation of America (AAFA).
