## Whisper MIGHTY® LED

**3 Year**  
LIMITED  
WARRANTY

Elevate your indoor environment effortlessly with the Panasonic WhisperMighty RG-M79LA exhaust fan. ENERGY STAR Certified and featuring LED lighting, this fan offers customizable ventilation with its Pick-A-Flow speed selector. Whisper-quiet yet powerful, it's perfect for rooms up to 90 sq. ft., combating humidity and air pollutants with ease. Install it in your bathroom, laundry room, or any space in need of fresh, clean air.

**Fan speed:** Choose 70 CFM or 90 CFM with Pick-A-Flow™ airflow selector

**Ultra-quiet:** Less than 0.8 sones at 70 CFM and 1.5 sones at 90 CFM

**LED lighting:** 10W dimmable LED light with <1W night light

**DIY renovations:** Fits 2x6 construction, wall or ceiling, for easy bathroom renovations & updates

**Simple ducting:** Integrated 4" duct adapter for flexibility installations

**Comprehensive warranty:** 3-years on motor & parts, 5 year LED unit, from the date of original purchase

**Code compliant:** ENERGY STAR certified, HVI (home ventilation institute) rated and can be used to comply with ASHRAE 62.2
