37.75"

#10051 Silver

The **Futura Leg Extensions** raise the height of the Futura Craft Station's worksurface to 37.75"H. They allow the versatility for you to work while standing or using a drafting chair. A single pack includes four leg extensions. No tools required for assembly. Designed for Futura Craft Station #10050 and Futura Craft Station with Folding Shelf #10095.

The **Futura Luxe Craft Table** is constructed with durable powder coated metal and tempered safety glass. The wide metal pencil drawer keeps art supplies stored conveniently under the desktop. Plastic, removeable side trays have molded compartments to organize tools. When upright, the folding side shelf keeps your items flat while the main worksurface is tilted. The main table top tilts up to 35°. Floor levelers prevent legs from scratching floors and adjust to keep your table stable on an uneven floor.

#10079 Pewter/Clear Glass

The **Futura Advanced Table** is a virtual twin to the Futura Luxe. Most of it's features are the same, but we've removed the pencil tray and added a set of three plastic pull-out drawers. We offer this model in our classic Silver Frame with Blue Glass.

#10075 Silver/Blue Glass

With the **Futura Tower**, there's a place for everything! Office and art supplies, notes, photos, the Futura Tower stores it all over a 32.5"W x 20.5"D tempered safety glass worksurface. The desk features a 24" x 9" shelf and an extra large 24" x 10" slide-out drawer for storage. The tabletop adjusts to six different angles from flat to 40°. Four removable art trays, two cup holders and a combo magnetic/cork board add to its versatility.

The **Futura LS Workcenter with Tilt** includes a "three-in-one" desk space that complements any work setting. The sleek design creates a seamless desktop without taking up too much space. One side of the table stays flat while the other can adjust in angle up to 45°. Arrange the placement of tables to your liking during assembly. The Workcenter can be used as a drafting or light table. Main worksurface is 35.25"W x 20"D per table with a 20" x 20" corner connector.

#50306 Silver/Blue Glass

#50308 Black/Clear Glass

The **Vision Craft Station** and **Vision 2 Pc Craft Center** will satisfy all of your needs as an artist or draftsman. They feature a large 35.5"W x 24"D worksurface of tempered safety glass that adjusts from flat to 70°. A 2" deep pencil ledge, three slide-out drawers and four removable side trays provide storage. Two inch nylon casters attach to the legs for mobility, two of which lock for stability. The stool has five adjustable height positions (20" – 26"), a padded seat, and a powder-coated steel frame with non-skid rubber feet.

The **Folding Craft Station** suits a variety of artists' needs. Easy to manage, this table assembles without tools in five minutes or less and folds flat for easy storage. The tabletop angle adjusts from flat to 35°. Its frame is made of heavy gauge steel for durability. The Silver/Blue Glass table features a tempered safety glass top that can be used as a light table for tracing.

#13221 Black/White

#13220 Silver/Blue Glass

The innovative design of the **Triflex® Drawing Table** makes it a unique addition to your office or studio. The tabletop adjusts from standard desktop height of 30" to a standing desk height of 40". The tilting angle of the tabletop adjusts from flat to a near 90° angle. This feature makes it the perfect art table when using pencils or pastels. The side handles allow you to lock into these positions for your various needs and projects. Light Pad Support Bars (item #10049, #10030) can also be added to make it a light table. The ingenious versatility of this table makes it three desks in one.

Our **Solano Adjustable Table** allows your creativity to run free. The triangular legs and four floor levelers keep it rock steady. It features an easy table top height adjustment (up to 39.5"H), and a tilt angle top that goes from flat to a near perfect vertical (80°). The large worksurface with 23.5" pencil ledge make it ideal for drawing. All this, plus a convenient shelf for your "go to" supplies makes it the ideal table for your art studio.

#13346 Charcoal/Clear Glass

The **Avanta Table** is constructed with durable heavy-gauge steel and blue tempered safety-glass. The solid frame and height adjustable top make it a superior drafting or light table. Our light pad support bars (item #10049 sold separately) hold any 6" x 9" or 9" x 12" light pad securely under the table top to create a light table. The large 42"W x 24"D top is height adjustable up to 38" and may be angled up to 30°. The extra-wide pencil drawer and bottom shelf provide storage for art supplies. The 24" pencil ledge slides up and locks into place when needed to keep papers and pencils on the table top when tilted. Its four floor levelers provide stability on uneven floors.

#13353 Charcoal/White

The **Fusion Craft Center** offers many storage options as well as a bonus slide-out shelf for keeping supplies flat while the top is angled. It combines many of our top features together to create a table that will soon be a new favorite among artists. The Fusion Table features: height adjustable legs, an angle adjustable top (36" x 24"), a 24" pencil ledge, wide floor levelers for stability and is made of powder coated metal for durability. The 24" Premier Metal Art Tray (#12167) attaches to the side of the table top. It has a swinging cup holder and includes our Flexible Foam Pencil Organizer (#12174). This Foam Organizer has 3/8" holes for pencils or markers and a cell phone slot to keep your phone clean and close during your projects. Two wire mesh baskets and a bottom storage shelf provide even more storage. You can customize the height of the desktop by 1.5" increments from 27.75" to 35.25". A 21"H padded stool completes this premier set.

#10102 Charcoal/White

The **Ultima Fold-A-Way Table** is the ultimate art table for portability and functionality. The 42"W x 30"D tabletop is height adjustable up to 48.5" high and angle adjustable up to 40°. A removable storage tray between the legs holds supplies and adds stability. A 24" pencil ledge slides up and locks into place so papers and pencils stay on the top when tilted. Four floor levelers add stability on uneven floors. The Ultima Fold-A-Way Table easily folds flat for storage when not in use.

The sleek, modern design of the **Zenith Table** offers the versatility suitable for various projects. The main worksurface (42"W x 30"D) features five adjustable angles from flat to 40°. The height of the table adjusts as well, reaching a maximum height of 38.5".

#13340 Black/Black

The **Prime Drawing Table** is the perfect starting point for creating a customizable drafting table. Add a lamp or a table tray to the back or on either side of the tabletop to add light and organization to it. Add a drafting chair or storage cart to expand your space to create an art studio. Because it is small enough to fit in a bedroom, spare room, or apartment, it is the perfect solution people looking to create in a small space. The crisp lines and sharp colors make it an eye-catching addition to a new art studio. The Prime Drawing Table is a simple table design for emerging student artists. It features a 35.5" wide x 23.5" deep top with a 23.5" wide slide-up pencil ledge to keep pencils or markers from falling while tilted. The 31.75" wide x 4.25" deep bottom shelf keeps extra supplies close.
