# Begonia

## Begonia spp.

### Light

Outside: Shade

### Fertilizer

Fertilize at planting time

### Water

Medium water needs

### Special Features

Attracts hummingbirds  
Colorful foliage  
Super-easy to grow

## Plant Features

Begonias are easy care annual flowers and can grow up to 8 to 10 inches tall. They come in a variety of colors such as pink, red or white blooms and foliage can be green or bronze. Begonias thrive in partial sun and shade but work just as well in the flower borders as they do in pots, planters and window boxes.

### For Reviews and Comments:

Our growers are working diligently to bring you 5-star quality plants. We hope you enjoy your purchase and would be so kind to leave us a 5-star review on your retailer's website.
