

LAUNDRY ODOR ELIMINATOR

ZERO

A Molecular Breakthrough That Permanently Eliminates Odor

Zero Odor Laundry is a patented technological breakthrough in odor elimination. Our laundry additive is used in combination with your laundry detergent, removing the toughest odors, and leaves your machine smelling clean.

Zero Odor Laundry actively seeks out and bonds with odor molecules in your clothes and washing machine, permanently turning them into **non-odor molecules**.

- Non-Toxic
- Non-Allergenic/Non-Irritating
- Biodegradable
- Fragrance Free
- Eliminates odor in all types of residential, commercial, and industrial laundry items. (including: micro-fiber athletic clothes, linens, towels, aprons, uniforms, smoke infused clothing and more)
- Removes sour smells inside washing machines
- Designed for traditional & HE washing machines
