

Fix it Fast

Small hole repair tool

All-in-One
compound, applicator
& spreader

Resealable applicator tip

FIX IT FAST

ADFORS Fix it Fast small hole repair tool is the ideal solution for fast and easy wall repair. The unique design allows compound to flow directly from the spreading knife to quickly fill small holes, small scratches or other imperfections in drywall or plaster.

Fix it Fast makes it faster & easier to achieve a seamless repair

- Easy to use
- Resealable top prevents drying
- Built-in applicator
- No sanding required for smaller repairs

Compound dispenses directly from applicator tip for easy, mess free application

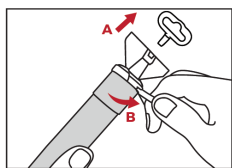

Easily reseals for multiple repairs - up to 2 yr shelf life

2" hard plastic spreading knife ideal for small repairs

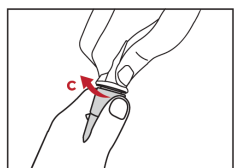

Tube design keeps air out and prevents compound from drying out

Professional joint compound formula is stronger than spackle

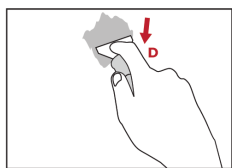

EASY TO USE

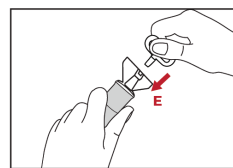

A. Remove the seal plug and save for resealing

C. While gripping collar and nozzle, twist until nozzle is flush with collar and the tube is punctured

D. Squeeze tube to apply product

E. Seal with the plug when finished to keep fresh for reuse
