

# *Warm. Welcoming. Wood Countertops.*

## *Bring the warmth of wood inside*

Warm is simply more welcoming. Which is why the warmth and natural beauty of our wood countertops, and backsplashes are the natural choice for your home.

## *the warmth of wood*

*Acacia  
Oiled*

### *Acacia*

The wood grain variation of Acacia brings unique beauty and sophistication. Either side of the Acacia countertop can be used. One side is light with dark grains and the other is dark with light grains.

### *Hevea*

Adding warmth and elegance, either side of the Hevea countertop is available to you, giving you more flexibility for a personalized look to match any design aesthetic.

*Hevea  
Oiled*

The wood countertops are unfinished, giving you more flexibility to achieve a personalized look to match any design aesthetic. Butcher block countertops should be oiled, stained or sealed with polyurethane or varnish. A personalized look is the perfect

\*Warranty is void if the surface is not finished or treated.

## *A personalized look to come home to.*

The natural beauty of wood comes through whether oiled for a natural look or with a colored stain that's unique to the project and the homeowner's desires.
