Control Humidity - Helps keep your home conveniently dry, fresh, and quiet

The VISSANI Energy Star 35 Pint 3-Speed Dehumidifier quietly collects water into the slide-out internal bucket or can discharge the water via connecting a garden hose (not included) through the side of the cabinet. Reliable and eco-friendly this dehumidifier can operate at temperatures as low as 38°F. Easy control and the very low sound level make this a versatile choice.
