

## **NEW** *Bulk Loom*

### Let Gardner Bender Help You Get Organized!

When wires become entangled they are safety hazards for both the equipment and the owner. As the needs of professional electricians change in managing wire and cable, Gardner Bender continues to deliver innovative solutions such as the Bulk Loom. Bulk Loom is a great product guaranteeing protection and neatness. Carrying Bulk spooled split loom will allow product to be sold on a per foot basis and will generate incremental sales. All looms are made of durable polyethylene and is available in 5 sizes.

- Slit for easy installation
- Protects and organizes cable, wires and hoses
- Corrugated for added flexibility

**Benefits:**

- Excellent for managing cords for electronics, under hood or trailer wiring
- Quickly and easily wraps around wire
- Tube can be cut to shorter lengths as needed

**Features:**

- Corrugated for added flexibility
- Split down the middle for wire breakout where needed
- Protects hoses, wire, and cables from cuts, abrasions, and UV wear
