

Oscillating Sprinkler User Manual

Thank you for choosing our oscillating sprinkler for your watering needs. To ensure optimal performance and satisfaction, please follow the instructions below.

1. Unboxing and Inspection:

Carefully unpack the oscillating sprinkler from its packaging.

Inspect the sprinkler for any visible damage. If you notice any damage, please contact customer support immediately.

2. Assembly:

Connect the sprinkler to a standard $\frac{3}{4}$ -inch garden hose fitting.

Ensure that the connection is secure to prevent leaks during operation.

3. Adjusting the Spray Angle:

Use the sliding range adjusters to customize the water angle.

Determine the coverage area by adjusting the spray angle according to your needs.

4. Setting Up the Coverage Area:

Place the oscillating sprinkler on a flat surface within the desired watering area.

Ensure that the sprinkler is positioned securely to prevent movement during operation.

5. Water Pressure Adjustment:

Our sprinkler is designed to perform well under both high and low water pressure conditions.

Adjust the water pressure at the source if necessary to achieve optimal performance.

6. Operating the Sprinkler:

Turn on the water supply to start the sprinkler.

Enjoy smooth and quiet operation powered by the turbo-driven motor.

Monitor the coverage area to ensure uniform watering.

7. Maintenance:

Regularly inspect the nozzles for any signs of clogging or damage.

Clean the nozzles as needed to maintain optimal performance.

Store the sprinkler in a dry and protected area when not in use to prolong its lifespan.

8. Troubleshooting:

If you encounter any issues with the sprinkler, refer to the troubleshooting section in the user manual.

For further assistance, please contact our customer support team.

9. Warranty and Guarantee:

Our oscillating sprinkler comes with a 100% satisfaction guarantee.

If you are not completely satisfied with the product, you can return it for a replacement or a full refund.

10. Enjoy Your Watering Experience:

We hope that our oscillating sprinkler enhances your gardening experience and helps you achieve lush and healthy plants.
