PERFECT FOR:

- Wood
- Linoleum
- Glass
- Laminite
- Plastic
- Varnish
- Tile
- Masonry
- Metal
- Painted Surfaces

BEYOND PAINT™ is a revolutionary line of refinishing paints that use the most advanced Nano Technology, which allow you to complete your home projects in less time, with less effort, for less money with professional, durable results.

Perfect for experts and beginners alike, leaving a lightly textured finish. Surface must be **CLEAN, DRY, GREASE, OIL and WAX FREE.** **BEYOND PAINT™** is lightly textured to eliminate brush marks, provides a finish that conceals imperfections and offers versatility in application. Use less **BEYOND PAINT™** for a smoother finish; apply thicker for a more textured effect.

EASY TO USE INDOOR DIRECTIONS:

- ① Using a soft bristle brush, simply "mash" or "stipple" into crevice areas. ② Roll all possible areas (an all-purpose fabric roller is preferred). ③ Avoid traditional brush strokes when using **BEYOND PAINT™**. Furniture, Cabinets and more.
- ④ Two coats are recommended; allow 2-4 hour drying time between coats. ⑤ Clean up with soap and water.

EASY TO USE OUTDOOR DIRECTIONS:

- ① Follow above directions. ② Allow to dry for at least 24 hours. ③ Apply 2 light coats of **BEYOND PAINT™**. Multi-purpose Sealer.

RECOMMENDED TOOLS:

- ① PAINT TRAY. ② Fabric or woven roller nap and handle. ③ Brush for stippling creviced areas.

EASY CARE DIRECTIONS:

- After 30 days curing time, maintain with mild soap and water as needed.

Seal **BEYOND PAINT™** countertops and outdoor projects with **BEYOND PAINT™** Multi-purpose SEALER.

Proper Use and Ingredients
BEYOND PAINT™ is a water-based product. Read the entire label and heed the content of the manufacturer distributor and dealer. Liability, if any, is limited to replacement only of product proven to be defective in manufacture.

Warning

- ① Avoid eye irritation. Causes skin irritation. Wear protective gloves. Wear eye or face protection. Wash hands thoroughly after handling.
- ② IF IN EYES: Flush cautiously with water for several minutes.
- ③ Remove contact lenses, if present or easy to do. Continue rinsing.
- ④ Hazardous: Irritant: Acute, STOT (Respiratory, Irritation) Irritants.
