1 MINUTE BAKING

Fast Heating

The excellent heat preservation effect of the pizza oven wood lets you get delicious pizza in a short time. In addition, you can check the internal temperature through the thermometer.

EASY TO CARRY & STORE

Portable Design

The handle of the pizza oven and our extra pizza bag make it easier for you to take it out. Then, you can take down its chimney and fold the four feet at the bottom when you store it.

SUPERIOR HEAT RETENTION

Heat Preservation

The portable wood oven is equipped with stainless steel materials and internal attached fire insulation cotton to slow down the cooling rate of the stove.

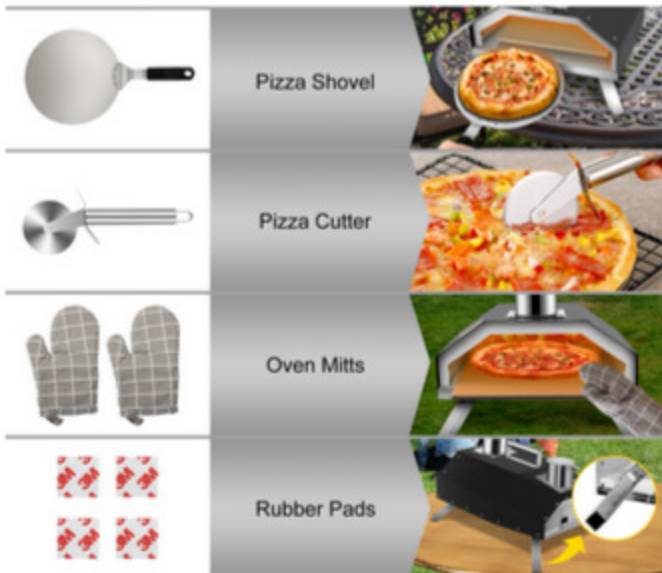

SIMPLE OPERATION

No trouble in Using

Add combustion particles at any time and don't need to be disassembled when cleaning. There are particular parts for dumping ashes, and oil can wipe clean easily.

PERFECT ACCESSORIES

Intimate Accessories

We provide you with accessories, including a pizza shovel, oven gloves, and a pizza cutter to help you solve the problems of not crispy, scalded, and unevenly cut pizza.

MULTIFUNCTIONAL OVEN

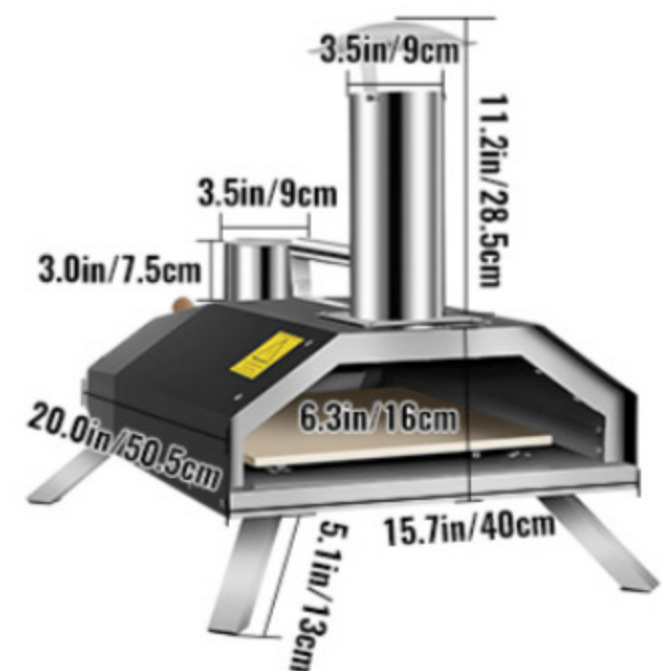

Wide Application

This pizza oven is designed for you who love delicious food so that you can enjoy delicious pizza, steak, chicken, sausage, fish, and other food with your family and friends together.
