Thank you for your purchase of Gazebo and follow this assembly and operation guide.

To reduce personal injury and damage to your gazebo, please attach your gazebo netting to the post when it is incoming over **20 mph** wind.

We recommend a **five-person team** for assembly and disassembly.

If you like our products,  
please follow more.

# Care and Cleaning

- Wash frame parts and fabric with mild soap and water, rinse thoroughly.
- Dry the frame completely and allow the fabric to drip dry.
- Do not use bleach, acid, or other solvents on the fabric or frame parts.
- Please inspect and tighten all bolts or fasteners on a regular basis to ensure the proper performance and safety of your gazebo.

# Warnings and Cautions

- Please retain this instruction for future usage and read carefully before assembly.
- Make sure you have all the parts & hardware as the item list shows.
- 5 adults or more are recommended to install your gazebo.
- Do not discard any of the packaging until you have checked that you have all the parts and pack of fittings.
- Check all bolts for tightness before use, and periodically check and tighten bolts to ensure your gazebo works properly.
- Some parts might have sharp edges/corners. Please follow basic safety precautions to reduce the risk of hurt.
- It is essential to place the gazebo on level ground and not less than 6 feet from any obstruction such as fences, garages, the house, overhanging branches, laundry lines, or electrical wires.
- Lastly, be careful the parts are not swallowed by pets and kids.

# Pre-assembly

## TOOLS THAT MAY BE REQUIRED (NOT included in the boxes)

\*NOTE: Tools / equipment are not shown to actual size and scale

## EQUIPMENT REQUIRED (NOT included in the boxes)

\*NOTE: Equipment are not shown to actual size and scale

# Matters needing attention

Five or more people are required for assembly.

Do not fully tighten screws prior to complete assembly.

# Warranty

## One Year Warranty

### Frames

---

Frames constructions are warranted to be free from defects in material and workmanship for 1 year from item purchased. Damage to frame from negligence won't be covered by this warranty.

### Bolts & nuts

---

Bolts and nuts are warranted to be free from defects in material and workmanship for 1 year from item purchased. Damage from exposure to chemicals (including not only oils ,spills, fluids) won't be covered by this warranty.
