Large Capacity

78.7" Tall x 59.1" Wide x 26.8" Deep - 35 Cubic feet Capacity. Each glass front refrigerator features 4 shelves that can be moved up or down to create more customizable spaces. Each shelf can hold up to 24 standard-sized soda cans.

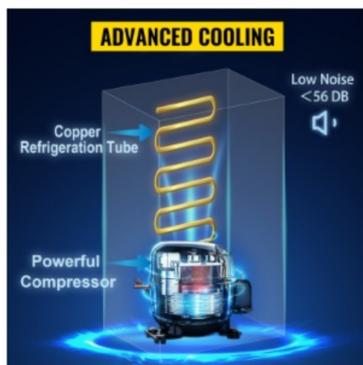

Premium Quality

The commercial fridge has a premium-grade glass front and thickened foaming layer to help eliminate condensation and maintain internal cabinet temperatures, which help maintain glass clarity.

Digital Temperature Control

Temperature range: 32-50 °F(0-10 °C). The temperature can be controlled via digital control settings that make it easier to adjust the internal temperature to prevent items from freezing or keeping them from being too warm.

Advanced Cooling

With an advanced cooling copper pipe, this beer cooler's 290W powerful compressor allows you to get products to the desired temperature, increasing efficiency quickly. Low noise: <56 db.

Humanized Design

You can use the product in dark spaces with our LED lights. A convection fan keeps consistent air circulation for a constant temperature supply inside. The height of the 4 shelves are adjustable. Besides, 5 wheels are also equipped for easy movement.

Multiple Usage

Perfect for an office, dorm, apartment, restaurant, kitchen, and more. Whether you're adding it to your game room, hotel, or bar, this machine is what you need to streamline and boost your beverage service.
