

*Created by a third-generation
family of stone care experts
with more than 50 years' experience.*

Safe on food-prep surfaces, Non-toxic, Non-acidic,
Biodegradable, No phosphates or ammonia

DIRECTIONS:

Spray Granite Gold Shower Cleaner® on stone surface; wipe dry
with a paper towel or lint-free cloth.

Helpful Tips

1. For stubborn mold and mildew, visit www.GraniteGold.com for more detailed instructions on how to properly remove mold and mildew without damaging stone surfaces.
2. For stubborn water deposits or soap scum, use Granite Gold Shower Cleaner® with Granite Gold Scrub Sponge®, which is gentle enough to remove deposits without damaging stone or tile.
3. Frequently seal and polish shower walls to maintain the shine and finish. Do not polish floors.
