To Whom It May Concern,

This letter is provided by the 3M Commercial Solutions Division (“CSD”) in response to The Home Depot’s request for California’s Proposition 65 warning information. It is specifically intended to provide additional information about the status of various CSD products in relation to California Proposition 65.

As of the date of this letter, the following products are industrial products manufactured outside of California and thus are not subject to California Proposition 65 and have not been assessed for consumer sale or use.
