

SURFACE BLOCK - SQUARE

The Surface Block is a one piece mount used for mounting exterior fixtures after the siding is installed.

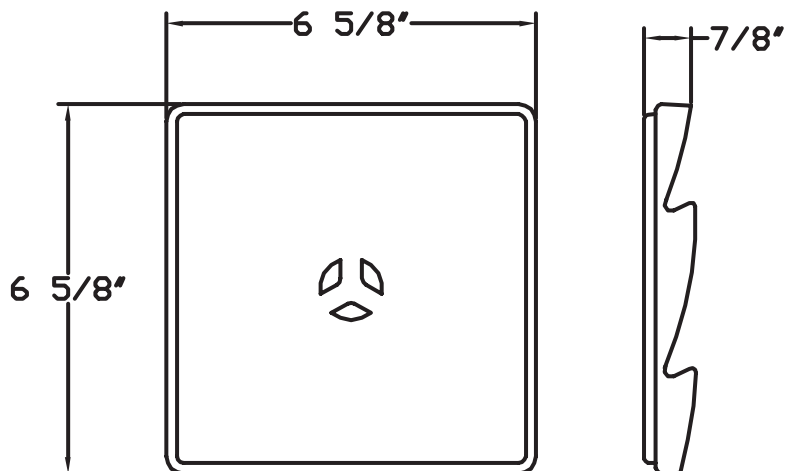

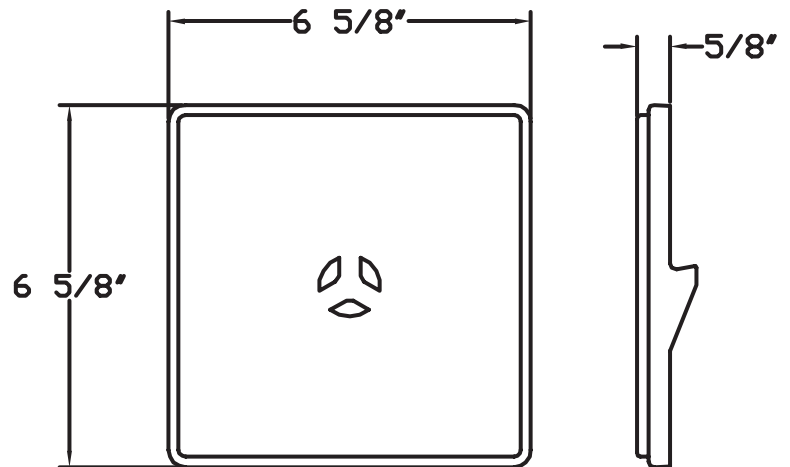

FEATURES:

- Paintable version available
- Single unit body construction
- Two styles available to fit Dutch Lap Siding and Triple 3" siding
- Raised edge adds beauty and prevents water infiltration
- Center point for drilling custom sized holes
- Patented caulk reservoir for a perfect seal
- Patterns provided on back of part for 2 cutouts:
 - 3 5/8" round electrical box
 - 3 3/4" x 2 3/8" rectangular electrical box

SPECIFICATIONS:

Material: Base: UV stabilized copolymer; color molded in; .180" nominal wall
Fabrication: One piece molded assembly
Attachment: Fixture mounting hardware will sandwich the Surface Block between the siding and fixture.
Packaging: 10 pack
Dimensions: See drawing below (all dimensions in inches)
