

5-year battery life

Designed to last longer.

PIR Sensor

Energy savings with temperature and occupancy detection.

Magnetic Swivel

Flexible positioning

Use the stand to place your sensor on a table or shelf. If you've picked a spot that's higher than 5 feet, use the wall-mount.

Wall-mount

Use with wall-mount, or stick to the wall if you've got curious children or pets.

The remote thermostat sensor with a sixth sense for your comfort and peace of mind.

Comfort where you need it

Place sensors in the rooms that matter most to experience comfort that stays with you.

Works with ecobee Smart Security

SmartSensor works as a motion sensor with Smart Security, which sends notifications and detects motion when the home is armed.

Designed for longevity

SmartSensor comes with a battery life of up to 5 years.

Easy installation

No wires, installs in seconds. Use the app to effortlessly connect SmartSensor with ecobee thermostats.

ecobee | SmartSensor

Range & connectivity

Place sensors up to 60 ft from ecobee thermostat or camera.
915MHz radio

Occupancy sensor angle & detection range

140° horizontal, 100° vertical
20 ft (6 m)

Operating temperature & humidity

Temperature: 32° to 104°F (0° to 40°C)
Humidity: 5% to 95% RH (non-condensing)

Storage temperature & humidity

Temperature: -31° to 113°F (-35° to 45°C)
Humidity: 5% to 95% RH (non-condensing)

Operating environment

For indoor use only

Powering method

CR2477 battery

Battery life

Up to 5 years

Compatibility

SmartSensor works with the following devices to support ecobee Smart Security (subscription required):
SmartCamera with voice control
SmartThermostat with voice control
ecobee4
ecobee3 lite
ecobee3
ecobee Smart Thermostat Enhanced
ecobee Smart Thermostat Premium

Sensors

Temperature
Occupancy

Contact sensor detection range

19 to 31.75 mm (0.75 to 1.25 in)

Mounting

Detachable stand
Wall mounting bracket

Warranty

3-year warranty

What's in the box

2 SmartSensors
2 Detachable stands
2 Adhesive wall-mounting brackets
Batteries included
Quick-start guide

Colors

White

Product dimensions

Sensor
Height: 40 mm (1.6 in)
Width: 40 mm (1.6 in)
Depth: 26.4 mm (1.04 in)

Sensor on stand
Height: 50 mm (2 in)
Width: 40 mm (1.6 in)
Depth: 26.4 mm (1.04 in)

Works with other ecobee products

Our SmartSensors seamlessly connects to ecobee Smart Security (subscription required), alongside our SmartThermostat with voice control, ecobee3 lite, Smart Thermostat Enhanced, Smart Thermostat Premium, SmartCamera with voice control, and SmartSensors for doors and windows.
