What Is Caesarstone Quartz?

Quartz is one of nature's most abundant minerals and found in crystals and silica. It comes in many colors, most typically clear or white. Caesarstone quartz surfaces are made of up to 93% quartz, making it one of the world's most durable surfaces.

QUARTZ IS ONE OF NATURE'S HARDEST MINERALS

A RATING OF 7 ON THE MOHS SCALE OF MINERAL HARDNESS MAKES QUARTZ ONE OF THE HARDEST NATURALLY OCCURING MINERALS ON EARTH

Good Housekeeping Seal

Caesarstone quartz is the only countertop manufacturer to hold the Good Housekeeping Seal.

Caesarstone earned the Good Housekeeping Seal through evaluation by our Research Testing Institute and was found to be a product that will deliver excellent results and performance. Earning the Seal by passing our engineering and consumer usage evaluations speaks volumes about the high regard Good Housekeeping holds for the Caesarstone product.”

Sean Sullivan
Associate Publisher for Good Housekeeping

Additionally, Caesarstone quartz meets American Greenguard’s exacting standards, is credited by the National Sanitation Foundation for laboratory, healthcare facility and food preparation safe surfaces, and ranks highly with the United States Green Building Council.

The First Step on the Journey to Your Dream Home

Whether you're renovating your family's kitchen, creating a bathroom that feels like the perfect oasis, or styling an entryway to warmly welcome your guests, your home should feel like a reflection of you. Begin your design journey and create your ideal home with the following guide.

6270 Atlantic Salt

Traditional

Formal and elegant in design, this style has more ornate molding and edge detail, symmetry, rich colors and other characteristics of 18th and 19th century American and European design. A mosaic of neutrals inspired by the deep sea, Atlantic Salt blends effortlessly into the classic kitchen, bringing a natural, unrefined purity and timeless style to the space.

Claire Zinnecker | 1141 Pure White

Eclectic

With distinct patterns, textures, and colors, the eclectic style is all about individuality. Comprised of unlikely pairings and contrasting pieces, this style's daring design choices evoke admiration and curious awe. A fleck-free, modern white that stands out all on its own, Pure White sets the stage for the mix of patterns without competing with them.

Glam

Exuding luxury, the Glam style draws inspiration from sumptuous colors, rich fabrics and dramatic contrast. A style this confident requires a surface that will complement its lavishness. Inspired by marble, Statuario Nuvo is an effortless fit for the style, possessing the opulence and luminosity of marble without its tendency to chip or stain.

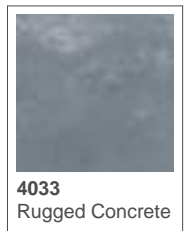

4033 Rugged Concrete

Industrial

Concrete quartz countertops are an ideal choice for their flexibility, durability, and jaw-dropping visual appeal. Pair Rugged Concrete with a rich color palette to transform a space from sterile and cold to warm and welcoming.

Design by AR Interiors Inc | 5131 Calacatta Nuvo

Cottage

The appeal of the cottage style is in the delicate details and charming comfort that make the space instantly feel like home. A farm house sink, shiplap accents and weather wood flooring are just some of the key details that contribute to this style little splendors that make up a big picture. The tone-on-tone addition of Calacatta Nuvo, combined with the dark hardwood flooring creates a subdued elegance that exudes from every nook and cranny of the space.

North Star Kitchens | 5111 Statuario Nuvo

Minimalist

Defined by muted colors and minimal accessories, only the most essential pieces are incorporated into the Minimalist design. This style leans towards design with intention and an appreciation for pieces that don't compete for attention. Statuario Nuvo serves as a neutral backdrop, striking the perfect balance between ultra-luxe and simply beautiful.

Modern

The Modern style boasts pure forms, clean lines, contemporary craftsmanship, and impeccable thought to material and color. It is a sleek aesthetic punctuated with elements of drama and sophistication. The contrast of black, white, and grey work together seamlessly, bringing out the dark veining of the White Attica surface.

Moodboards and The Influence of Color

Color influences emotion. It can lighten your mood, improve your health, increase your concentration, or help with productivity. Color is the easiest way to communicate your story and to infuse personality into your home's interior.

The use of color in interior design is re-emerging. Bold, beautiful tones paired with neutral bases are replacing bright white spaces. Black, grey and white kitchens are getting a luxurious upgrade.

Caesarstone presents these color pairings and moodboards to help garner your creative expression without losing the timeless appeal of your interiors.

Pretty in Primrose

Influenced by natural Calacatta marble, the wide, grey veins and opaque base of Calacatta Nuvo create an organic and refreshing white palette that pairs beautifully with colorful accents to add a touch of levity and modern charm to any space.

Go for Green

White Attica is full of movement and texture, much like the natural-toned hues that complement it. Classic oak cabinets and greenery set the stage for a nature-inspired space.
