

Safety Information

- ☐ Consult a qualified electrician if you have any electrical questions.

CAUTION: Inspect the wire insulation for any cuts, abrasions, or exposed copper that may have resulted during shipping. If there is a defect in the wire, do not attempt installation. Please call our Customer Service Team at 1 800 446 9092

WARNING: Before starting installation of this fixture or removal of a previous fixture, disconnect the power by turning off the circuit breaker or by removing the fuse at the fuse box.

Warranty

The manufacturer warrants this lighting fixture to be free from defects in materials and workmanship for a period of one (1) year from date of purchase. This warranty applies only to the original consumer purchaser and only to products used in normal use and service. If this product is found to be defective, the manufacturer's only obligation, and your exclusive remedy, is the repair or replacement of the product at the manufacturer's discretion, provided that the product has not been damaged through misuse, abuse, accident, modifications, alterations, neglect, or mishandling. This warranty shall not apply to any product that is found to have been improperly installed, set-up, or used in any way not in accordance with the instructions supplied with the product. This warranty shall not apply to a failure of the product as a result of an accident, misuse, abuse, negligence, alteration, faulty installation, or any other failure not relating to faulty material or workmanship. This warranty shall not apply to the finish on any portion of the product, such as surface and/or weathering, as this is considered normal wear and tear. The manufacturer does not warrant and specially disclaims any warranty, whether express or implied, of fitness for a particular purpose, other than the warranty contained herein. The manufacturer specifically disclaims any liability and shall not be liable for any consequential or incidental loss or damage, including but not limited to any labor / expense costs involved in the replacement or repair of said product.

Pre-Installation

PLANNING INSTALLATION

- ☐ Read all instructions before installation.
- ☐ To avoid damaging this product, assemble it on a soft, non-abrasive surface, such as carpet or cardboard.
- ☐ Keep your receipt and these instructions for proof of purchase.

TOOLS REQUIRED

Ladder

Safety glasses

Electrical tape

Phillips screwdriver

Flat blade screwdriver

Pliers

Wire strippers

HARDWARE INCLUDED

NOTE: Hardware not shown to actual size.

AA

BB

CC

Part	Description	Quantity
AA	Mounting unit	1
CC	Mounting screw	2
DD	Wire nut	3

ATTACHING THE MOUNTING UNIT TO THE JUNCTION BOX

Remove the pre-installed cap nut from the mounting unit (AA) and put it in a safe location. Attach the mounting unit (AA) to the junction box (not included) with mounting screws (BB).

NOTE: The pre-installed pipe nipple on the mounting unit (AA) should protrude out away from the junction box.

MAKING THE ELECTRICAL CONNECTIONS

Connect the copper wire from the light fixture (A) to the mounting unit (AA) by securing it with the pre-installed ground screw.

Connect the black to black (power), the white to white (neutral) and copper wire to ground wire with the wire nuts (CC) and secure with electrical tape (not included).

NOTE: If the wires from the fixture are the same color, attach the side with markings or letters to the black (positive) wire and the other to the white (neutral) wire.

SECURING THE LIGHT FIXTURE

Secure the light fixture (A) to the junction box by placing it over the pre-installed screws on the mounting unit (AA) and securing it with the cap nut from step 1.

INSTALLING THE LIGHT BULBS

(A), add the shade (B) and re-secure
