

## Herbsville

3D/ 3 –Layer/ Washable/Reusable/Antibacterial

- Washable, Reusable & Durable - High quality fabric.
- Silver ion fiber fabric inhibits bacterial growth.
- Comfortable, Covers the chin, Easy to wear.

## Product Overview

Model: HM-300

The HM300 mask is a triple layer fabric mask that features silver ion cloth that inhibits bacterial growth. It's 3D figure comfortably fits around your chin, including silicone adjustable buckles on each elastic ear loop to insure a perfect fit around your face. The mask's heavy weight fabric ensures higher durability so that it can be washed and reused. The outer and inner layers consists of a black 100% polyester cloth. The inner middle layer of Silver Ion Fiber fabric inhibits the bacterial growth in order to enhance anti-bacterial performance. The mask is wash resistant, and reusable.

Use: Perfect for everyday use! Washing recommendation: Hand wash with soap, hang dry, or wash in cold water and light tumble dry.

\*\*It is normal for the fabric black color to bleed for the first few washes.

\*\*Durability is subject to how you handle and wash your mask and daily use.
