IMPORTANT CAUTION

Once installed, the product cannot be detached. Please strictly follow each step in the installation manual.

- Please check all parts and components to ensure that there are no damages or missing items before starting the construction of the product. If you have any problems or discover any missing parts, please contact customer service at **support@eastoak.com**.
- Some parts may contain sharp edges. Wear protective gloves if necessary during assembly.
- If you use power tools, please adjust the gear to the minimum, otherwise it will cause damage to the parts.

ASSEMBLY INSTRUCTIONS

- DO NOT assemble this item alone for your safety.
- We recommend **using a rubber hammer** and an electric screwdriver for better installation.
- Item identification: For ease of identification, all parts are labeled to correspond to the step number in which the part is used.
- **Tips: When installing the screws, fix them first, and then tighten the screws after they are all positioned.**
- **The letter marks on the A/B/C/D/J panels should face inward when installing.**

CARE & SAFETY

- **Avoid placing products in areas with standing water, such as potholes on lawns.**
- Check all panels for tightness before usage.
- It is of utmost importance to assemble all parts according to the directions. Do not skip any step.
- In case of fire, do not attempt to extinguish any burning polypropylene with water.
- Wear safety goggles and always follow the manufacturer's instructions when using power tools.
- Using a stiff brush or abrasive cleaner could damage the box.
- Hot items such as recently used grills, blowtorches, etc., must not be stored in the box.
- After rain, wipe the box with a cloth before opening it.
- Unsuitable for the storage of flammable or corrosive substances.
- Do not stand on the lid.
- To prevent the risk of suffocation, do not allow children to play inside the box.
