Made in China - Printed in China

LA CROSSE  
CLOCK CO.

# 18" Indoor/Outdoor Lighted Dial Clock

Model: 403-3246BR  
DC: 102020

## Power Up

1. Remove battery covers from the back of the clock.
2. Insert 1 fresh “AA” alkaline battery into the Center Battery Compartment.
3. Rotate the Time Set Wheel to set the time.
4. Insert 4 fresh “D” alkaline batteries into the Lighted Dial Compartments, and be sure the Lighted Dial Switch is set to ON.
5. Replace the battery covers and mount in your desired location.

**Note:** The quartz movement will keep the clock running accurately. If the clock does not operate, or steadily loses time, replace the battery in the Center Battery Compartment.

## Lighted Dial

- When switch is ON, the clock illuminates when dark, for up to 6 hours.
- The light timer will reset once clock is exposed to light. There is a light sensor between the number 6 and 7 at the front of the clock.
- If the switch is OFF the clock will not illuminate.

## Specifications

- **Battery Requirements:**
  - 1 “AA” LR6 Alkaline Battery (clock)
  - 4 “D” LR20 Alkaline Batteries (lighted dial)
- **Battery Life:** 12 months

**IMPORTANT:** Be sure all batteries are of the same voltage level. Insert all batteries according to the polarity markings.

## Care & Maintenance

- Always purchase the correct size and grade of batteries most suitable for intended use.
- Clean the battery contacts and also those of your clock prior to battery installation.
- Ensure the batteries are installed with correct polarity (+ and -).
- Remove batteries from equipment when it is not used for an extended period of time.
- Promptly remove expired batteries.
- The specs of this wall clock may change without prior notice.
- Improper use or unauthorized opening of housing voids warranty.
