ONLINE RETURNS ON YOUR SCHEDULE

If your schedule is too full for regular store hours, start your return online by clicking the "Return Items" button. Eligible orders for online returns will receive a shipping label via email to print and attach to your package. You can drop it off at your nearest UPS Access Point™ location. Customer support is also available to help get your UPS return started and is available to help schedule pick up of your return items for your convenience. Call us for assistance at: 1-800-430-3376.

RETURN IT FAST & EASY – JUST LIKE YOU BOUGHT IT

Simply take your purchase back to any Home Depot and get your money back instantly or exchange for something else. Be sure to bring a copy of your receipt or shipping confirmation email, credit card you used for the item and valid I.D.
