

SUNSET LED LIGHTING AND FANS LIMITED 5 YEAR WARRANTY

Limited Warranty

SUNSET light fixtures are manufactured to the highest quality standards to provide you with years of dependable service. SUNSET's limited warranty is nontransferable and is limited to the original purchaser or gift recipient. This warranty gives you specific legal rights, and you may also have other rights which vary from state to state.

This product is warranted to be free from defects in material and workmanship. This light fixture comes with a (5) year warranty. This warranty does not apply to any glass or fluorescent lamp supplied with the product. Any damage from mechanical, physical, electrical, or water abuse resulting in malfunction voids this warranty. Deterioration to plated finishes over time is considered normal "wear and tear" and thus exempted under this warranty. Please keep a copy of this warranty for your records.

Remedies

During the first five years from the date of the original purchase, SUNSET will replace or repair any light fixture which has faulty performance due to defects in material and workmanship or fails to operate satisfactorily, when failure results from normal use. In this case, return the light fixture with proof of purchase and warranty card to Sunset Lighting and Fans. Ship light fixture prepaid to SUNSET and it shall be repaired or replaced at our discretion. We will pay the return shipping cost. These remedies are void if failure of the light fixture has resulted from accident, abuse, misapplication, or any unauthorized repair, modification or disassembly.

Limitation of liability

Neither SUNSET nor our manufacturer will assume any liability resulting from improper installation or use of this product. In no case shall the company be liable for any consequential damages for breach of this or any other warranty expressed or implied whatsoever. Some states do not allow the exclusion or limitation of incidental or consequential damages, so the above limitation or exclusions may not apply to you.
