The Osmocote® Difference

Osmocote® Smart-Release® Plant Food Flower & Vegetable has a high total nutrient content (14-14-14). The unique resin coating reacts at relatively low soil temperatures to give plants an early season start. This formula is favored for seasonal vegetables and perennials because it promotes strong roots as well as bountiful and vigorous above-ground growth.

Directions for Use / Instrucciones

- 1. Remove seal under cap. Replace cap and lift plate.**
Quite el sello que está debajo de la tapa. Coloque la tapa y la placa de elevación.
- 2. Shake bottle laterally.**
Agite la botella lateralmente.
- 3. Apply evenly, approx. 3 tbsp. per 4 sq. ft. Mix into top 1-3 inches of soil. See illustration.**
Aplicuelo de manera uniforme, aproximadamente 3 cucharadas por cada 4 pies cuadrados. Mézclelo en la capa superior de 1-3 pulgadas de tierra. Vea la ilustración.
- 4. Water regularly**
Riegue con regularidad
- 5. Reapply every 4 months**
Vuelva a aplicarlo cada 4 meses

Osmocote® Smart-Release® Plant Food Flower & Vegetable 14 - 14 - 14
