

JWB-10, 10" OPEN STAND BANDSAW

714000

Introducing the all new JET® 10" Band Saw. If space is at a premium in your shop, this is the bandsaw for you. With quick release blade tension, upper and lower ball bearing blade guides, an extra-large cast iron tilting table, and an easily adjustable LED work light - this well-equipped bandsaw has all the features you're used to on bigger bandsaws.

FEATURES

- Compact benchtop design allows for easy transport to different shop locations
- Rigid steel stand allows bandsaw to transition from the benchtop to the floor
- Reinforced steel base can be bolted to stand or work bench
- 1/2 HP induction motor easily handles various cutting applications
- Poly-V drive system maximizes power transfer from motor to blade and reduces vibration
- Upper and lower ball bearing blade guides provide blade stability
- Extra large cast iron table with retractable extension wing provides additional work piece support
- One piece welded frame design reduces machine vibration and flex
- Oversized, ergonomic knobs provide ease of use and maximum control
- Quick release blade tension makes changing and re-tensioning the blade fast, easy and consistent
- Flexible LED light provides visibility without blocking line of sight
- Aluminum extruded fence ensures smooth sliding action
- Table tilting trunnion allows working angles from 0° to 45°
- Magnifying cursor enlarges measurement scale for precise fence location
- Rack and pinion blade guide adjustment with integrated locking knob for precise height control
- Blade site window to view blade tracking
- Dust port accepts multiple size hoses
- Miter gauge and fence included

JET RED ASSURANCE 5-YEAR WARRANTY

JET warrants every product it sells. If one of our tools needs service or repair, one of our Authorized Service Centers located throughout the United States can give you quick service. In most cases, any of these JPW Industries Authorized Service Centers can authorize warranty repair, assist you in obtaining parts, or perform routine maintenance and major repair on your JET tools. For the name of an Authorized Service Center in your area call 1-800-274-6848.
