

Cast Stone Mailbox Posts

Curb Appeal

Create curb appeal with an elegantly designed mailbox post made from the latest maintenance-free materials. Cast stone posts have the color and texture of natural stone, are extremely durable and lightweight for same day installation.

High-Tech Maintenance-Free Materials

- Cast stone posts are made from glass fiber reinforced concrete and have the look, feel and heft of custom stonework; built to outlast typical wood, metal and vinyl products.
- Durable and maintenance-free like natural stone.

Old World Hand-Made Craftsmanship

- Each mailbox post is handcrafted with the exquisite detail and style you expect in upscale products.
- Old world craftsmanship and classic designs, including decorative caps and mailbox support options, complement all architectural styles.

Built to Last

- Weatherproof, insect proof, and maintenance-free.
- High quality cast stone material and solid construction are built to withstand years of harsh weather conditions.
- Designed to fit over a 4" x 4" post for easy installation.
