the magnetic air register

- Prestovent is the innovative new ceiling, wall and floor register that's different from traditional registers in every way
- Secured in place with 4 powerful earth magnets that attach to the metal duct boot of all common ceiling vents
- Fast, easy and hassle-free installation. So easy it'll feel like magic!
- Requires no tools. Simply insert and it is secured in place. No screws or mounting holes required. Presto, a beautiful clean finish!
- Easily removable for duct cleaning
- Paintable plastic finish
- Easy to operate damper control
