To find a service center visit at <https://support.ryobitools.com/support/service-centers>

CALL BEFORE VISITING:

Not all Service Centers repair all RYOBI tools. We recommend it's best to contact them in advance to confirm that they're able to service your product.

HOW TO OBTAIN SERVICE:

All RYOBI tool warranty work must be performed by an Authorized Service Center. To validate your coverage, you must present a proof of purchase, the product and any defective parts that fall within the warranty period. In addition, you may be required to make a refundable deposit. Customers are responsible for service costs outside warranty period.
