SUPERIOR LOAD CAPACITY

4 inx30ft, Long & Reliable Enough for Heavy-duty Towing & Transporting

Load Capacity: 15400 lbs

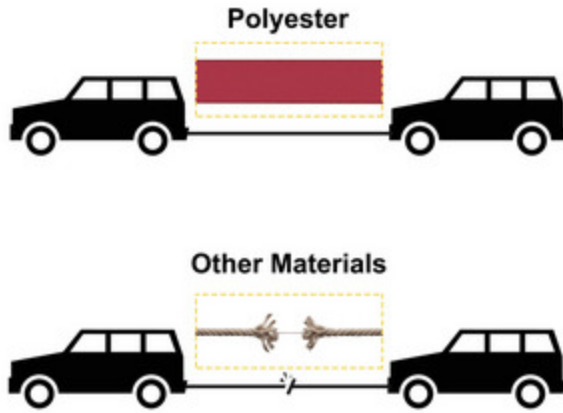

Breaking Strength: 18700 lbs

Superior Load Capacity

The winch straps are made with a superior load capacity of 15400 lbs / 7000 kg and a breaking strength of 18700 lbs / 8500 kg, totally capable of hauling heavy-duty cargoes, towing vehicles, and removing trees.

DURABLE & LONG LIFESPAN

Higher Durability, Stability and Reliability

Durable & Long Lifespan

The material of polyester ensures the trailer straps high durability, stability, and reliability. With special coating treatment and reinforced waving patterns, our straps provide lifelong performance.

HARDY FLAT HOOK DESIGN

Hardy Flat Hook Design

Attaching a black flat hook on one end of the webbing, you can effortlessly apply the winch straps to any vehicle with a bed rail. Coating treatment makes it withstand rain and sunshine.

EASIER WAY TO USE

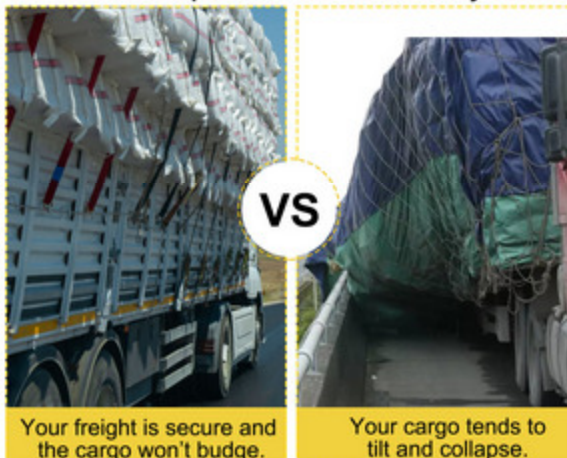

More Convenient than Those Need A Ring to Hold Sewn-neck Hook

Easier Way to Use

The flat hook on the trailer strap is more convenient than those that need a ring to hold sewn-neck hooks - loop onto a trailer stake pocket or bed rail and secure the other end on the side of your trailer.

SECURITY IMPROVEMENT

Ensure the Integrity of the Consigned Goods in Transportation to Provide Timely

Your freight is secure and the cargo won't budge.

Your cargo tends to tilt and collapse.

Security Improvement

These trailer straps can avoid dumping or falling of goods and ensure the integrity and security of vehicles, serving as a lifesaver for risky transportation and giving solutions in unexpected situations.

WIDE APPLICATION

Multiple Scenarios

You can apply our tie-down straps in all kinds of trailer loads such as steel sheets, produce crates, appliances, and be used on pickup trucks and enclosed cargo vans, and packing plants.
