

Amamoi Metal Garden Arch Trellis Installation Guide

Package Contents: - Metal arch sections - Base stakes - Screws and bolts (pre-installed or included) - Assembly tools (if provided)

Safety Precautions: - Assemble on a flat, stable surface. - Wear gloves to prevent cuts from metal edges. - Keep children and pets away during assembly.

Assembly Instructions: 1. **Unpack All Parts:** Lay out all components and check against the parts list. 2. **Connect Arch Sections:** Align sections and attach using the provided screws or bolts. Ensure connections are tight. 3. **Install Base Stakes:** Insert stakes into the ground at the desired location. Ensure stakes are secure and level. 4. **Mount Arch to Base:** Carefully place the arch sections onto the base stakes. Check that the structure is upright and stable. 5. **Secure All Connections:** Double-check that all screws and bolts are tightened. 6. **Final Adjustments:** Adjust arch position for symmetry and alignment. Ensure stability before planting or decorating.

Tips: - For soft soil, consider using additional anchors or weights to prevent tipping. - Periodically check screws and connections for tightness.

Maintenance: - Clean with mild soap and water. - Inspect for rust or damage and touch up with protective coating if necessary.
