

FireXNull Inc. - 1-Year Limited Warranty

Warranty Coverage

FireXNull Inc. warrants this product against defects in materials for **one (1) year** from the date of installation, provided it is installed and maintained in full accordance with the FXN Product Installation Instruction Sheets. This warranty covers product performance related to suppressing early-stage fires **only when all installation and usage requirements are strictly followed.**

Conditions for Warranty

Proper Installation - The product must be installed exactly as directed in the Installation Instruction Sheets. Any deviation voids the warranty.

Specified Environment - The product must be used only within the environmental conditions and enclosure types defined in the instructions and must be properly maintained.

Inspections - Required inspections must be performed and documented as outlined. Failure to maintain inspection records voids coverage.

Exclusions from Warranty

External Factors - Damage caused by electrical surges, improper use, natural disasters, external fires, or exposure to harsh environments outside recommended enclosures is not covered.

Unauthorized Modifications - Any modification, adjustment, or repair by unauthorized personnel voids this warranty.

Improper Installation or Misuse - Issues resulting from incorrect installation, misuse, neglect, or failure to follow instructions are excluded.

Limitation of Liability

FireXNull's liability is limited solely to the repair or replacement of a defective product, at FireXNull's discretion. FireXNull shall not be liable for incidental, consequential, or indirect damages, including but not limited to property damage, loss of profits, business interruption, or injury. This product is designed to help suppress early-stage fires but does **not** guarantee complete protection against fire-related damage or loss.

Warranty Claims

To submit a warranty claim, the claimant must provide:

- Proof of purchase

- Installation details
- Documented inspection records
- Photos of the installation and product condition
- The product's original seal and label post-installation

FireXNull will evaluate the claim and, if approved, will repair or replace the product at no charge.

Warranty Activation

Warranty coverage requires completion of the product registration form **within 10 days of purchase** from an authorized FireXNull distributor. Each registration applies to a single product. Failure to register may limit or void coverage.

Complete Warranty Statement

This document constitutes the full and exclusive warranty for this product. No other warranties, expressed or implied—including warranties of merchantability or fitness for a particular purpose—apply unless provided in writing by FireXNull Inc.
