

Akicon Interior Barn Door Limited Warranty

Barn Doors manufactured by Akicon and manufactured only using the finest, most stable materials or quality engineered wood with excellent design and we guarantee your door for 1 year warranty from date of purchase. If you follow our recommendations, you will enjoy your new door for many years. Natural wood doors have been crafted from carefully selected lumber featuring small knots, color variations, etc. These characteristics are true features of wood and will always be present; however, they will not impair the appearance or durability of the door.

This warranty does not extend to any labor charges incurred in the removal, re-installation or replacement of any defective products or parts thereof. In the event of a defect, malfunction or failure of the product to which this warranty applies, Akicon will remedy the failure or defect, without charge to the consumer within thirty (30) days from the actual receipt of the product, or refund of the purchase price at Akicon's discretion.

Prior to installation doors:

MUST NOT be stored prior in damp or direct sunlight conditions or where excessive heat is present.

MUST NOT be store or installed until all sheetrock is painted and dry.

SHOULD be stored in dry, moderate heat (50-70°) prior to installation.

Excluded from Warranty

The following are not considered defects and therefore are not covered by warranty:

1. Cosmetic defects not reported upon receipt of product.
2. Damage, misuse or abuse caused by others beyond control of Akicon.
3. Natural variations in color, finish or texture of door.
4. Failures or defects not covered include broken glass, hardware not provided by Akicon, improper installation, lack of maintenance or normal aging.
5. Panel shrinkage. Panels are free-floating and allowed to move as wood stabilizes according to climate conditions.
