

Floor Mallet

61625

COMFORT

11.5" co-molded plastic handle with non-slip, rubber grip for comfortable repeat use

PRECISE

Chamfered edges maximize contact with subfloors when positioning floors

SAFE FOR SURFACES

16 oz. white rubber head will not mar tile or other surfaces

STRONG

Large mallet head spreads force across the flooring to move it into place during installation

Hangs on peg hook by product handle

The QEP® Pro Rubber Floor Mallet is ideal for setting flooring, safely and securely. The white rubber head will not mar or damage surfaces, and measures 70-75 on the Shore A hardness scale, for a firm hardness with minimum bounce when striking. The superior construction of this mallet makes it ideal for multiple applications.
