

EUROBOND D3/Type II

FLOATING FLOOR GLUE

Coverage: 124-200 sq. ft
16 fl. oz./474 ml

Variation in coverage is due to flooring type (laminate, wood, click or T&G), size (thickness, length & width), and application methods.

Specially Formulated for Click or T&G Floors

- FloorScore Certified!
- Low VOC - Formaldehyde and Acrylamide free
- High strength, flexible cross-linking formula
- Flexibility results in a stronger bond
- Exceeds European D3/Type II standards
- Ideal for wet areas like kitchens and bathrooms
- Made in the USA
- Meets LEED Green Building Standards

Cal-Flor was the first American manufacturer to produce a glue certified to exceed the tough European D3 Standards - 20 years ago! For your health and the health of our environment, we've now reformulated our Eurobond Glue so it contains no formaldehyde or acrylamide (common T&G glue additives) and has a low VOC content. This improved formula has the same water-resistance, high strength and flexibility of our original D3/Type II Eurobond glue.

Limited Warranty:

Cal-Flor warrants that this product will be free from manufacturing defects for 12 months from the date of purchase, when applied in accordance with Cal-Flor's instructions and industry standards. Cal-Flor's sole liability is to either supply new product or refund the original purchase price. This limited warranty excludes all other express warranties including the warranties of merchantability for a particular use or purpose. Cal-Flor will not be liable for any incidental or consequential damages.
