

Inside Right

Whether you're gathering the family for dinner, grabbing a midnight snack for yourself in front of the TV or having friends over, Lenox is there for every moment in your life. We are the trusted brand for quality dinnerware that lasts you a lifetime.

The Lenox Replacement Promise ensures that in the event you break your Lenox brand dinnerware or coordinating serveware, we will replace it for FREE. It's our promise to you.

FULL DETAILS ON BACK

Back

Lenox will offer a free replacement, provided one is available, for all dinnerware collections and their coordinating serveware pieces from the Lenox brand if breakage occurs during normal use or if an item is defective. To be eligible, you must register your product at www.Lenox.com/ReplacementPromise. A photo showing proof of breakage is necessary when requesting a replacement. This program applies only to the registered product owner.

In case of breakage, call Customer Service at 1-800-223-4311 or email us at info@lenox.com to determine availability.

DISHWASHER AND MICROWAVE SAFE

WARNING This product is safe to use in the microwave with the following precautions:

- Do not permit children to handle product that has been heated in the microwave.
- Heating foods and/or beverages in the microwave may cause this product to become hot.
- To retain the beauty and functionality of this product, never place it empty in a microwave oven and avoid overheating.
- Always use a pot holder or oven mitt when handling any product heated in a microwave oven.

APTO PARA EL LAVAVAJILLAS Y EL HORNO DE MICROONDAS

ADVERTENCIA Este producto es apto para el horno de microondas con las siguientes precauciones:

- No permita que los niños manipulen el producto si se ha calentado en el microondas.
- El calentar alimentos o bebidas en el microondas puede hacer que este producto se caliente.
- Para conservar la belleza y funcionalidad de este producto, no lo coloque nunca vacío en un horno de microondas y evite que se caliente demasiado.
- Utilice siempre una agarradera o guante para horno al manipular cualquier producto calentado en un horno de microondas.

VA AU LAVE-VAISSELLE ET AU FOUR À MICRO-ONDES

AVERTISSEMENT Ce produit peut être utilisé au four à micro-ondes, mais avec les précautions suivantes :

- Ne laissez pas les enfants toucher un produit qui a été chauffé au four à micro-ondes.
- En chauffant des aliments ou des boissons au four à micro-ondes, ce produit peut devenir très chaud.
- Pour conserver la beauté et la fonctionnalité de ce produit, ne le placez jamais vide dans un four à micro-ondes et évitez de surchauffer les aliments/liquides.
- Utilisez toujours une manique ou des gants pour manipuler tout produit chauffé dans un four à micro-ondes.
