

VEVOR®

CHAIN HOIST

2200 lbs / 1 ton Capability
15 ft/4.5 m Lifting Height
Hardened Steel Material

Chain Hoist with Max. 2200 LBS Capability

This chain hoist, featuring a 2200 lbs (1 ton) load capacity, is very suitable for lifting engines, tables, wood, and shop equipment - no need to climb ladders and cranks. You can load and drop securely through the hand chain and security brake. This is an ideal hand winch for far-ranging scenarios in heavy equipment loading.

- Great Bearing Force
- Convenience & Stability
- Security Protection
- Durable Cover

Today, VEVOR has occupied markets of more than 200 countries with 10 million plus global members.

Why Choose VEVOR?

- Premium Tough Quality
- Incredibly Low Prices
- Fast & Secure Delivery
- 30-Day Free Returns
- 24/7 Attentive Service

LARGE LIFTING CAPACITY

Large Lifting Capacity

Our manual hand chain block has a maximum lifting capacity of 2200 lbs (1 ton/1000 kg). The peak lifting height is 15 ft/4.5 m—an ideal loading assistant for factories and repair shops.

SAFETY HOOK DESIGN

Security Hook Design

The secure hook is made of durable material and has a security latch, keeping the goods from accidental falling. The hook can rotate 360° without any limitation, which is easy to operate.

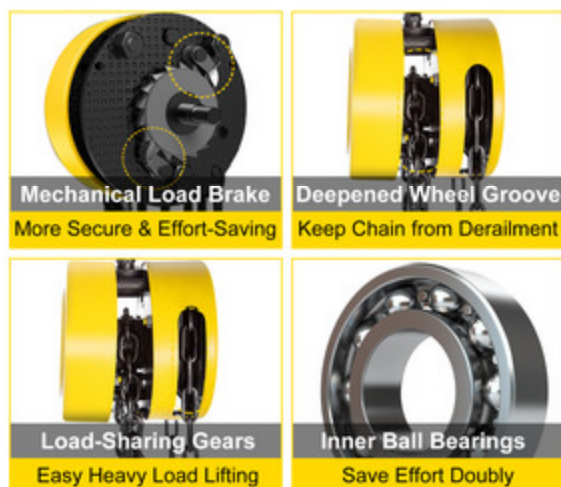

HIGH-QUALITY CHAIN

High-Quality Chain

With a long chain, this chain hoist extends its using range. The quality alloy steel construction makes it durable in harsh operating conditions. The 1m lifting strap we provided can help you bundle goods that are not easy to hook.

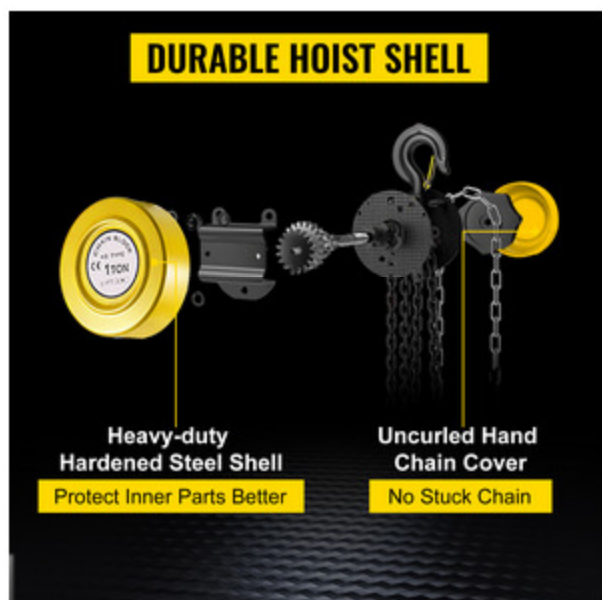

RELIABLE OPERABILITY

Reliable Operability

The mechanical load brake and deepened guide wheel groove make the loading more secure and effort-saving. The load-sharing gears and inner ball bearings ease the loading fatigue doubly.

DURABLE HOIST SHELL

Durable Hoist Shell

Requiring little maintenance, the hardened steel cover protects this engine hoist's gear system and inner parts better. What's more, the uncurled hand chain cover can avoid the chain being stuck.

WIDE APPLICATION

Wide Application

This product is perfect for lifting in factories, warehouses, construction, cargo berth, garage, industrial, and mining enterprises as ideal for harsh indoor and outdoor environments.

Specifications

- Model: VV-YCH-1T4.5M
- Material: Steel
- Max. Lifting Capacity: 2200 lbs / 1 ton
- Max. Lifting Height: 15 ft/4.5 m
- Item Weight: 17.6 lbs / 8 kg
- Item Dimension: 5.1x5.5x5.5 in / 13x14x14 cm
