## Your Ultimate Partner for Effortless Pipes Crimping

**VEVOR**

### 3-6S QUICK AND EFFORTLESS PIPE CRIMPING

Get the job done faster and more reliably

- Fast Pipe Crimping
- 6-Sized Crimping Dies
- Long-lasting Battery Life

VEVOR 18V Hydraulic Electric Press Tool-the perfect companion for smooth pipe crimping. Delivers 32KN stable rated output force without leakage. 6 robust pressing dies, ranging from 1/2"-2" to accommodate a wide range of pipe sizes, effortlessly crimping copper, stainless steel and PEX pipes.

### HIGH STRENGTH FORGED STEEL JAWS

Support precise and reliable crimping

Strong crimping for single-step forming  
Single clamping time of 3-6 seconds  
6 Crimping dies (1/2", 3/4", 1", 1-1/4", 1-1/2", 2")

With 6 crimping dies in sizes of 1/2", 3/4", 1", 1-1/4", 1-1/2", and 2", this tool can handle pipes of various diameters, meeting diverse crimping needs. The durable head is subjected to quenching and hardening treatment, incredibly sturdy, and durable for accurate and reliable crimping.

### HIGH-PERFORMANCE LITHIUM BATTERY

Increase your usage time by about 35%

18V 4.0Ah Large Capacity  
Perform about 350 clamps when fully charged

- Overcurrent Protection
- High Temperature Protection
- Short Circuit Protection
- Discharge Protection

18V 4.0AH lithium battery can perform about 350 times crimping, completing tasks efficiently without frequent recharging. LED display screen clearly shows current battery level and easily monitors remaining battery power.

### EFFICIENTLY PRESSES Copper Pipes

Presses up to 2-in (51mm) of copper pipe

**PLEASE NOTE:**  
If you need to crimp other types of tubes, such as PEX, please purchase the corresponding press jaws separately

The 18V pro press tool boasts a electric hydraulic system, enabling rapid crimping in just 3-6 seconds, providing a stable 32KN of force without leaks. It has the capacity to crimp PEX tubing up to 2 1/2 inches, stainless steel pipes up to 2.13 inches, and copper pipes up to 2 inches in diameter.

### AUTOMATIC CRIMPING, CONVENIENT AND SAFE

- Automatically returns to the starting position after crimping
- One-key pressure release for high safety
- Safety latch prevents operation errors due to unsecured lock

This copper pro press tool can complete fast pipe pressing in 3-6 seconds. After the pressing is complete, the tool automatically returns to the starting position, preparing for the next operation and saving valuable time and labor.

Item Model Number : PZ-1550  
Crimping Range : 1/2" -2"  
Rated Output Force : 32KN  
Maintenance Cycle : 30,000 times  
Press Tool Weight : 13.2 lbs / 6 kg  
Carrying Case Weight : 56 lbs / 25.6 kg  
Standard Battery : 18V 4.0Ah Lithium Battery  
Product Dimensions : 18.1" x 4.92" x 3.23" / 460 x 125 x 82 mm

#### PACKAGE CONTENT

2 x Battery Packs (18V 4.0Ah)      1 x 4A Charger  
1 x Carrying Case                      1x User Manual  
6 x Crimping Dies (1/2", 3/4", 1", 1-1/4", 1-1/2", 2")

"Save Half" or any other similar expressions used by us only represents an estimate of savings you might benefit from buying certain tools with us compared to the major top brands and does not necessarily mean to cover all categories of tools offered by us.  
\*You are kindly reminded to verify carefully when you are placing an order with us if you are actually saving half in comparison with the top major brands.

#### The Only Crimping Tool You'll Ever Need

Whether you are a professional plumber or a proud DIYer, you will enjoy the sheer power the VEVOR 18V Pro Press Tool offers. It delivers enough crimping force to join copper pipes securely and reliably with a simple press of a button. No more tiring and mistake-prone soldering process. With a powerful fully-enclosed electric hydraulic system, you get a stable 32KN output force, which is more than enough to press up to 2.5-inch PEX pipes, 2-inch copper pipe, and two 13-inch stainless steel pipes in under 6 seconds.

#### Comprehensive All-in-One Pro Press Kit for All Crimping Needs

The VEVOR 18V Electric Pipe Crimping Tool comes complete with every accessory you'll ever need to handle any on-site crimping need. Unlike other options, you don't have to spend an extra dime for a 4A fast charger, 2pcs 4AH Battery, or crimping dies. In the kit, you'll find six crimping dies of different sizes for solid and secure joints - 1/2", 3/4", 1", 1-1/4", 1-1/2", and 2". Thus, you can easily work with pipes of different sizes. Also, there's a carrying case to keep the electric crimper and its handy accessories organized and safe.

#### Rugged Construction for Durability

The VEVOR Pro Press Tool is forged from tough steel to ensure it lasts, almost indestructible. Straight out of the box, you can feel how well-made it is. The body is a straight barrel, making it easier to use in tight corners without sacrificing precision for a secure connection. Regardless of the on-site conditions, this pipe wrench maintains a high and stable crimping force for perfect press every time.

#### Cut and Press Soil Pipes All Day

For professional plumbers and HVAC technicians, running out of power in the middle of a job can be a devastating situation. With that in mind, the VEVOR Pro Press Tool comes with a 2pcs 4AH battery and a 4A fast charger to get them to full charge in no time. On a full charge, this Press Tool Kit 6 Pro Press Jaws makes over 350 crimps without having to break a sweat or wait for the PEX pipes to dry before making a connection. Another noteworthy feature is the LED display screen, which makes it easier to track the battery level and working status in real-time.

#### Compact and Ergonomic Design for Hassle-free Uses

Compared to other products, the VEVOR Pro Press is more compact and its straight-barrel design means easier crimping in tight areas. The handle is designed ergonomically for a comfortable grip alleviating concerns about hand fatigue even after crimping several pipes.. For safety reasons, you'll be pleased to know that this pipe wrench comes with a secure locking mechanism, enabling you to fasten attachments more quickly with a reduced risk of accidents.

#### Best Deal in the Market? Look No Further!

The best pipe wrench for the job should be able to handle tough jobs without asking you to trade off comfort and give up your savings. The VEVOR Pro Press Tool stands atop the competition with its unparalleled performance, unquestionable durability, and unbeatable price tag. It comes with numerous features tailored to professionals and DIYers looking to do a great job. Despite coming at a more affordable price than its competitors, this pipe wrench comes with everything you need such as six crimping dies, a fast charger, battery packs, etc. to cater to your pressing needs. If you are ready to step up your plumbing game, invest wisely, and buy the VEVOR Pro Press Tool now at a discounted price.
