

VEVOR Electric Hoist-Lift Your Cargo with No Effort

VEVOR[®]

SECURE & EASY CARGO LIFTING

2200lbs Secure Lifting Capacity

328FT Wireless Remote Control

Emergency Stop Switch

VEVOR, your exclusive tool expert. This electric steel wire hoist adopts a pure copper motor, providing large load capacity for lifting your heavy objects. The wireless remote control allows you to control the hoist in a secure area.

Wireless Control

Strong Lifting Capacity

Pure Copper Motor

Control method of the hoist on the market: Remote control handle with 3.9ft cord

Disadvantages:

- 1 Ladder assistance required for working at height, a safety hazard
- 2 Need to extend the length of the cord yourself, wasting time and money.

Control method of the hoist for VEVOR: 328FT Wireless Remote Control

Advantages:

- 1 No more ladders for working at height, a safer working environment for you
- 2 No more extending the length of the handle cord yourself, saving time and money

High-Quality Cable

Extra Straps

Easy Handle Control

Braided Steel Cable

This durable steel cable is made of carbon steel and will not twist or rotate to the other side. It can also avoid overheating to ensure secure operation.

Product Specifications

Lifting Load Capacity: 2200 lbs / 1000 kg

Wire Length: 160 cm ± 1 cm

Control Mode: Wireless Remote Control

Product Weight: 27.95 kg

Product Dimensions: 19.5 x 6.9 x 10 in / 49.5 x 17.5 x 26 cm

Motor

Voltage: 120V

Rated Rotation Speed: 2800 rpm

Power: 1600W

Rated Torque: 6.1 Nm

Specification

Lifting Load Capacity	2200 lbs / 1000 kg	Lifting Height (Single Cable)	40 ft / 12 m
Lifting Speed (Single Cable)	33 ft/min	Motor Power	1600W
Voltage	110V	Cable Size	Φ6mm*L12m (19 Strands)
Product Dimensions	19.5 x 6.9 x 10.2 inch / 495 x 175 x 260 mm	Product Weight	61.62 lbs / 27.95 kg
